

 DRUG INTERNATIONAL LIMITED (UNIT-2)	Form : Material Information	Document No.	FM-DIL-GN-070
		Revision No.	00
		Effective Date	15 Jan 2020

Name Of Material : 28 mm washer

Material Code : PMW-28

Type Of Material : Packaging Materials

Storage Condition : N/A

Sampling Plan : RANDOM

Sampling Procedure : Normal

Chemical Analysis :

Test Parameter No	Test Parameter	Specification	Reference	Test Method	Test Unit	Sample Amount
P-001	Description	A plastic washer (stopper-28 mm) for glass bottle of powder for suspension having no identification mark			n/a	
P-096	Design & Size	To comply with approved design and size			n/a	
P-091	Diameter Body	19.00 mm \pm 0.40 mm				
P-083	Height	8.10 mm \pm 0.40 mm				
P-097	Side Ring Thickness	0.60 mm \pm 0.06 mm				
P-080	Weight	0.47 gm \pm 0.05 gm				
P-098	Adaptability with glass bottle	Must comply with the test			n/a	
P-070	Leakage test	Must comply with the test			n/a	
P-081	Cleanliness	Must be free from dust and any foreign particle			n/a
